Love Letter — “Try Again”

My Dear, I just wanted to say ~

It's a Loving Universe! That means, you can try again. You didn't thwart your progress. It's not because you're not “good enough” or “failed” in some way. It's just part of the process. All is well. You don't need to tell that sad story. Tell another instead.

Release the stress, worry and pressure. This should follow naturally with a Loving Story. All is well. You're not going to get what you want any faster by fretting about it. Stay open. Believe. Rest easier. Let go.

Make sure your boundaries are clear. What do you need to do this? Then, set your intention. Be able to ask specifically for what you want. After that just be ready to receive. Finish it off by remembering to be grateful for whatever happens.

You can always try again.

*All My Lovin,
A.*
